EXPERIENCE

The Alten Group

<http://www.thealtengroup.com>

Web / graphic Designer (2005 - Present)

Successfully manage design projects from concept through completion. Work closely with members of my team to create a vision, meet deadlines and requirements. Effectively build, motivate and direct the web developing team (action script coders, etc.). Achieve client's objectives. Maintain all of the client's web sites. Prepare video for the web, edit video, and edit sound. Design logo, letterheads, business cards and e-vites, etc.

Clients: Gloria Estefan web site 2006, BP line of Castrol products packaging for Latin America, Ever After Miami web site a very exclusive wedding gown boutique on Coconut Grove, Creative on Demand, worked together with Marcos Macias and the client to reproduce the concept graphically and worked on all the images on the site, also directed our web developer on the complex interactive elements on the site.

Explosive Image

<http://www.explosiveimage.com>

Web / graphic Designer (2004 - 2005)

Successfully design real estate web sites, from concept through completion. Achieve client's objectives. Maintain the client's web sites. Prepare video for the web, edit video, and edit sound. Designed logos. Worked under very tight deadlines.

Publicaturo
